

# Business Valuation Services

Newmark Valuation & Advisory is a leading provider of Business Valuation services in the United States. Our team of experienced professionals specializes in delivering accurate and comprehensive valuations that help clients make informed decisions regarding their businesses.

## Services Offered:

### Business Valuation

Our team conducts thorough assessments of businesses, taking into account various factors such as financial performance, market conditions, industry analysis, and growth potential. We utilize industry-standard methodologies and advanced valuation techniques to determine the fair market value of a business.

### Mergers & Acquisitions

We provide valuation services for clients involved in mergers, acquisitions, and other strategic transactions. Our team assists in determining the value of target companies, identifying potential synergies, and evaluating the financial impact of the transaction.

### Financial Reporting

We offer business valuation services for financial reporting purposes, including fair value measurements, purchase price allocations, impairment testing, and stock-based compensation valuations. Our team ensures compliance with relevant accounting standards and provides reliable valuations that withstand scrutiny.

### Litigation Support

Our experts provide expert witness testimony and litigation support in legal disputes involving business valuations. We assist clients in matters such as shareholder disputes, divorce proceedings, breach of contract claims, and economic damages assessments.

### Tax & Planning Compliance

We assist clients in tax planning and compliance by providing accurate valuations for estate and gift tax purposes, stock options, and other tax-related matters. Our team ensures compliance with IRS regulations and helps clients optimize their tax strategies.

**Expertise:** Our team consists of highly skilled professionals with extensive experience in business valuations across various industries. We stay updated with the latest market trends and regulatory changes to provide accurate and reliable valuations.

**Customized Solutions:** We understand that each business is unique, and we tailor our valuation services to meet the specific needs of our clients. Our team takes a collaborative approach, working closely with clients to understand their goals and deliver customized solutions.

**Timely Delivery:** We recognize the importance of timely valuations in today's fast-paced business environment. Our team is committed to delivering accurate valuations within agreed-upon timelines, ensuring that clients can make informed decisions promptly.

**Confidentiality:** We prioritize the confidentiality of our clients' information and adhere to strict data security protocols. Our team maintains the highest level of professionalism and discretion throughout the valuation process.
